RESOLUTION NO. _____

FULL BOARD MEETING DATE: _____

AGENDA ITEM: _____

MACOMB COUNTY, MICHIGAN

RESOLUTION TO: AUTHORIZE THE COUNTY CLERK TO REPLACE THE BROKEN SHELVING SYSTEM IN THE FIRST FLOOR CLERK'S FILE ROOM OF THE CIRCUIT COURT BUILDING USING THE COUNTY'S VENDOR, MAYLINE GROUP, AT A COST NOT TO EXCEED \$83,170.57, AS RECOMMENDED BY THE PURCHASING DEPARTMENT. FUNDING IS AVAILABLE FROM:

GENERAL FUND CAPITAL OUTLAY 10193110-95111	\$10,000.00
CAPITAL FUND FURNITURE REPLACEMENT 40126601-97702	\$40,000.00
F&O GENERAL FUND CIRCUIT COURT BUILDING	
REPAIR & MAINTENANCE 10126525	\$28,000.00
CLERKS SPECIAL PROJECTS 10121501-96600	\$5,170.57

THE PURCHASING DEPARTMENT AND FACILITIES AND OPERATIONS DEPARTMENT SHALL HAVE DESCRETION TO DIRECT THE TIMING OF THIS PURCHASE.

BACKGROUND:

The shelving system used by the Clerk's Office for the Macomb County Circuit Court files is constantly bracking which incurred repair costs. Attached is a memo in support of this purchase from Facilities and Operations Department Director Lynn M. Arnott-Bryks. The current shelving is approximately 40 years old and was part of the original construction. She also indicates the increasing difficulty her department has had in repairing the shelves and her support in the clerk's effort to replace the system.

When the problems with the shelving system arise, it is difficult for the staff to retrieve files. By law, the county clerk is the official clerk for the circuit court and is required to maintain these records and have access to them at all times. Therefore it is necessary to replace this system.

This resolution was proposed in June but voluntarily withdrawn by the clerk with direction from the Budget Committee Chairman to identify a funding source. The clerk worked closely with the Facilities and Operations and Purchasing Departments to piece together funding from the sources indicated.

This project was not publicly bid because the product was selected from the GSA contract with the federal government. In order for products to get on the GSA list, the vendor must guarantee the federal government the best available pricing. The installer was selected because this union company has vast experience with this particular product line. If the Board wishes, the Purchasing Department could bid out the union installation services.

Only the shelving on the first floor of the clcrk's office is being replaeccd. The shelving systems in the basement and on the fifth floor are not affected by this resolution.

**INTRODUCED BY: COMMISSIONER KATHY VOSBURG, CHAIRPERSON
ADMINISTRATIVE SERVICES COMMITTEE**

COMMITTEE/MEETING DATE: 09-15-10

Administrative Services

SUBJECT: File System
County Clerk's Office

DATE: May 7, 2010

Over the past several years our office has noticed a dramatic increase in requests to repair the file system at the Clerk's Office.

This system is approximately 40 years old and was a part of the original construction.

We are continuously replacing tension pins and within the last two years we are having problems with sprockets, worn out keyways and the wood platform and framing is sagging due to the age and weight. We also had a shaft snap in half.

Over the years, we have been able to repair and make the file system operational.

We are at the point where we are finding increasingly difficult to get certain portions of the system operational resulting in difficulty retrieving files if needed.

Our office supports the Clerk's efforts to replace the file system.

Should you have any further questions or require additional information, please contact the undersigned.

Respectfully,

Lynn M. Amott-Bryks, Director
Facilities & Operations Department

LMAB:jsd

cc: Carmella Sabaugh, County Clerk
Todd Schmitz, Chief Deputy

KWIK-FILE®

86" HIGH, 8-TIER
4-POST ON MOBILE B20
ELEVATION VIEW

The overall equipment height specified does not include system leveling. A minimum 3" clearance is required between shelving and ceiling/obstructions. This allows for leveling adjustments. A minimum of 18" between shelving equipment and sprinkler heads is required when sprinkler systems are installed.
